

Dog Grooming Academy Testimonials

I just wanted you to know that I decided to have my three dogs groomed by the students at All Dogs Academy as I have not had the time to do it myself as I normally do. A friend decided to have her dog done as well so they wouldn't need to worry about my male with a strange dog. I was a bit apprehensive at first but decided to let them try and get experience. Kim, the Instructor, is fabulous and a very calm force. She listened to everything that I asked for with each dog and believe me I asked for plenty! I was very pleasantly surprised when each dog was done exactly as I requested and looked every bit as good (or better) as most experienced groomers. The students should be extremely proud of their achievements, I know I was! The dogs were not stressed at all which is not always an easy feat. Kim is obviously a great instructor and I will most assuredly recommend your program to everyone.

Good job!
